- Contact tracing of confirmed cases being carried out by the RRTs.
- Risk communication carried out among healthcare workers and affected communities during contact tracing.
- NIH laboratory is providing support to provinces and regions for testing.

### Risk Assessment: Current impact of the disease in Pakistan is: High

### Provinces Preparedness and Response

- **Balochistan**: 1,000 N9S dispatched for Taftan with other necessary PPEs for Quarantine population
- **Sindh**: 15 day lock-down continues in the province.
- **Punjab**: 2 new BSL-3 labs set up in the province, bringing the total number of BSL-3 labs to 4.
- **KP & TD**: 09 ventilators received by Department of Health, KP and distributed to Bannu, Mufti Mehmood Hospital D.I Khan, Lady Reading Hospital Peshawar.
- **GB**: Gilgit and Baltistan announced 2 Red Zones.

### Risk Communication Message:
- Clean hands regularly with an alcohol-based hand rub, or wash thoroughly with soap.
- Clean surfaces regularly with recommended disinfectants (70% Ethyl Alcohol or 0.5% bleach solution).
- Avoid touching eyes, nose and mouth with contaminated hands.
- Practice respiratory hygiene by coughing or sneezing into a bent elbow or tissue and then immediately dispose off.
- Wear a medical/surgical mask if you have respiratory symptoms and perform hand hygiene after disposing of the mask.
- Maintain a minimum of mandatory one meter distance from individuals with respiratory symptoms.
- Healthcare workers are required to select and use appropriate PPE.

### Administrative controls
- Ensure the availability of IPC resources such as PPE, appropriate infrastructure, clear IPC policies, access to lab testing, triage and patient placement, adequate staff and training of the staff.

### Environmental and engineering controls
- Stay in ventilated rooms
- Clean the surfaces with recommended disinfectants.

### Social Behavior Change:
- Practice social distancing, particularly from individuals showing respiratory symptoms.
- Avoid mass gatherings like weddings, cinemas, crowded shopping malls and restaurants.
- Avoid gathering of more than 10-20 persons.
